Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This application will be delayed until publication 6 months from the filing date or 90 days from the above date, whichever is later, unless a response is provided to the USPTO concerning the secrecy order recommendation and the imposition of a secrecy order.
